Hello Staff, Parents, Carers and friends,

Well, the Festive season has overtaken us and there’s just two weeks left before the close of school for 2011. At both campuses every student’s report has been loaded on to the DoE Saris program and already paper copies of each student’s report are being printed out in readiness to be sent home with this newsletter.

Many parents have taken the opportunity to make an appointment with teachers to review the learning goals included in their child’s Individual Education plan. Thank you to the many parents who took up the offer.

**Magic Show**

Staff and students from both campuses were entertained by performers in a fun packed show this week.

**Christmas Panel**

All students helped to create this Christmas panel, which has been placed around the Christmas tree in the Devonport mall. A stencil was used to create the reindeer faces which students’ painted, and handprints were used to create the reindeer antlers. Each student’s name is written under the reindeer that they created.
